

This map shows 455 roads listed in I. Margary's *Roman roads in Britain* (John Baker, London, 3rd edition, 1973), and 188 place-names from A. L. F. Rivet & C. Smith, *The Place-names of Roman Britain* (Batsford, London, 1979). This data should not be taken as representing the very latest research; in some cases corrections are required and I hope to incorporate these in a later map.
